## News and Views

We were pleased to host a visit this morning with Ward Councillor Khan. We discussed local issues including the perennial problem parking and driving that we have around school. These shared worries are ones both the local authority and school can only do so much to try to resolve, and we rely on our school's parents and carers taking a lead and doing the right thing to keep our children safe.

Cllr Khan will be hosting a group of children at City Hall in the near future and I look forward to hearing all about it.

### World Book Day

We will be celebrating and marking World Book day on Thursday 7th March this year. There will be reading activities throughout the day, but also across the half-term, with our on-going

'Readathon' prize challenge, where 5 children completing the most books can win a book voucher.

The £1 tokens that are issued to every child on the day can also be taken in to participating booksellers to swap for £1 World Book Day books—or can be put towards books costing £2.99 or more. Mrs Brown will be sending you further details.
