Communication

We have had several parent/carer meetings this week—going through information for the upcoming Year 5 Ingleborough Hall residential, and a meeting for Year 6 parents for SATs.

I know that every year group has held or are holding a meeting about curriculum information that all parents and carers

have been invited to over the course of the academic year, alongside some of the other information that has come out to parents in letters or on the year group website areas.

We have our next big parent/carer consultation evening coming up on the 17th April. The online booking system will shortly go live, and on this evening you will have an opportunity

to discuss your child's progress to date, and also to look at what needs focusing on for the Summer Term both at school and with those top tips for home and homework.

In between the set meetings I remind you that you are welcome at any point to book a meeting with your child's class teacher to go over any issues.
