Visits and Visitors

We are lucky to be able to take our children on lots of educational field trips to experience learning outside of the classroom, as well as bringing specialist visitors into school to enhance learning experiences.

On many occasions the school has directly funded or subsidised these activities. Going forwards the budget is a little tighter and we will not be able to prop these up to the same

extent. We will be asking for voluntary contributions, and unfortunately if we don't receive enough to cover costs then some activities will have to be cancelled. We have been able to fund keeping the minibuses and these will be used extensively to keep costs as low as possible.

Zoolab

Zoolab visited YN and Y1 this week. It was great to see our children get up close with some wonderful creatures.
