News and Views

As another week draws to a close we turn our attention to the final half term of the academic year .

We close next Friday, 24th, for the two week Spring Bank Break.

This means that there will be a lot of organisational changes coming up.

Next half term we start to assign teachers to their September year groups. We will then look at collating class lists and

considering where your child will be placed.

School will have 2 weeks of transition to new classes at the end of next half term, and Year 6 will spend some time at new secondary schools.

Children will be expected to complete

the Wibsey Half Marathon by the end of the half term to be eligible for the inflatables fun day, and we will of course be organising our annual Sports day, the Year 5 Band performance and the Year 6 end of term production, to name but a few things. A busy half term where every day will count.

Wibsey Primary— The Community School

SATs

Well done to our Y6 children on completing their SATs tests this week—you were all superstars. We will shortly be starting

our testing with our Year 2 children, where they will showcase some of the work they have done throughout their time in KS1.

Good luck.

Headlice

There have been a number of cases reported and we need you all to check your children this weekend.
