Issue 3

27th September 2024

Meet the Teacher

We have held a range of "meet the teacher" events across school since term began. There are more to come.

In case you have missed the App messages sent directly to your phones, every year group across school has had, or is having an afterschool meeting where you can meet all the teachers in your child's year group. At these sessions you can find out more about the curriculum and other activities

that are going on in that year group and around school. The

staff give up their time to do this so that you can ask any questions and be fully informed. Year 5 will be holding their meeting after school on Friday and a reminder is coming out.

Year 6 meet on Monday and Year 2 on Tuesday.

It is vitally important we hold your correct contact details, not only for the messages we send, but also for medical emergencies, absence checks etc.

If there are any changes please contact the office.

Wibsey Primary— The Heart of the Community

Free Lunch

We will be doing our pizza and pasta lunch for pupils next week. This will be free to all families. There will be other options for children who might not

like these e.g. jacket potatoes. There will be ice-cream as one of the options for dessert.

We know its said there is no such thing as a free lunch. Next Thursday there is. Enjoy.

Now the weather has become decidedly autumnal it's that time of year when we send a reminder about coats. Children should have a coat (labelled with their name) with them everyday that keeps them both warm and dry when playing out in light showers.
