Children are expected to switch the phones off on school grounds.

Children hand their phones into the class teacher and these are locked away in the office for the remainder of the school day.

Reminders

The doors will be open from 8.45am.
Please note: The doors and gates will be closed at 9am, after which time you must take your child to the school office where they will be marked as late arrivals.

The school day finishes at 3.30pm. Please collect your child from the class' designated collection area in the KS2 playground. If you have not collected your child by 3.40pm they will be taken to the school office for collection.
