Dear X,

AWARE (Airedale and Wharfedale Autism Resource)

Parent Information Event

Tuesday 19th November 2024 at 9.30 until 11.30 am via Zoom

As parents of autistic children and young people, the AWARE team really want to help and support you and your family on your journey.

Has your child/young person;

- **Just received a diagnosis?**
- **Recently been added to the pathway for an autism assessment?**
- **Been unable to get a diagnosis?**
- **Received a diagnosis of autistic traits or another condition?**

Then you may be asking, where do I start?

We will be hosting our next PIE (Parent Information Event) via the Zoom platform, on Tuesday 19th November 2024 between 9.30 and 11.30 am.

This event is for ALL families who have children or young people who fall into the categories above.

Our aim is for PIE to be a “one stop shop”, presenting services available within the Bradford and Airedale area and helping families establish what support is available to them.

We will introduce AWARE and the services we provide, as well as having professionals from a variety of services, including Social, Communication, Interaction and Learning Team 0-25 Specialist Teaching and Support Services (SCIL - Bradford Education), Social Care and other support groups, to provide information about the services they provide for families.

After the presentation, there will be a chance to chat to the service providers in breakout rooms and families will have the opportunity to sign up to training courses (subject to availability).

Places **MUST** be booked in advance for this event and will be limited. If you or a family you are working with would like to attend, please ask them to email the AWARE on **pie@aware-uk.org**.

Information on how to join the session will be emailed to you soon.

The deadline for applications for this session is Thursday 7th November 2024.

Looking forward to hearing from you!

The Team
