## News and information

Thank you for all the Christmas fair donations today. We are accepting donations all next week as well if you didn't get the chance to pick something this week.

I know the Fair is always popular with our families and we want to have a really good event.

***The Christmas Calendar will be out at the start of next week, with all the Christmas events dates on.***

*This will be followed by year groups sending you invitations to book onto the events. Following a fire safety review that we have conducted, the YR, Y1 and Y2 nativities will be VERY STRICTLY ticketed this year, with all seats and no standing. It will be a 2 tickets per child maximum allocation.*

*If you are in separated families it will be down to you to decide how these are shared.*

## Wibsey Primary— The Village School

As the darker mornings and nights draw in it remains critical that you all take care when driving and parking around school. We had an adult

clipped by a reversing car this morning. We all know how serious an accident could be. Set off earlier, park further away and please be considerate of others.

The class with best attendance this week was 6.1.

They recorded an attendance rate of 98% and will be seeing Mr Cooper next week to have some additional playtime awarded. Well Done.
