Times-Tables Superstars

We had a group of our Year 4 children out at Shibden Head Primary School yesterday taking part in an inter schools multiplication competition.

Russell Hall, Foxhill, Keelham and Brackenhill.

The children went up against children from the Great Heights partnership of schools, including Shibden Head, Home Farm, Hollingwood,

As ever, your children were fantastic ambassadors for the school, showing good manners and sportsmanship.

They came 1st and 3rd in different elements of the competition.

They represented Wibsey Primary School brilliantly and we are extremely proud of their efforts and achievements.

Attendance

The class with best attendance this week was 6.2.

They recorded an attendance rate of 98.%

Wibsey Primary— The Heart of the Community

I have to sadly come back to the issue of parking on the roads around school at drop off and pick up times.

This morning saw a number of parents/carers park or pull up in a dangerous and inconsiderate way. This included pulling onto

pavements, parking illegally at junctions or on yellow school markings, double yellows, even the bus bay. Some were doing 3 point turns on narrow roads with flowing traffic. If there is an injury on the back of this, and you have

done any of these things, then could you live with yourself? Images of dangerous parking to: ellie.butcher@westyorkshire.police.uk

Do not put yourself at risk in capturing these.
