Year One Fieldwork

It was lovely to see Year One head off on their walks around Wibsey Village this week as part of their Geography curriculum work.

It is really important that our children get first hand experiences, and that we show them we don't have to travel miles and miles to get them. The children looked at the make up of the village, including different housing and features, such as the different shops and amenities, including green spaces.

Foodbank Appeal

Harvest will be upon us before we know it. We will be launching our annual appeal next week with a letter in place of our regular newsletter. As you go shopping this week it would be great if you could start to pop an extra tin in your trolley, or a bottle of shampoo etc. The full list, with further information, will be out next week.

Notices

**Parent /Carer
Consulation Evening is
taking place on
Wednesday 15th
October. From the end
of the school day. I know
you have already had
your "Meet the teacher"
sessions where you**

**have had general
curriculum information
and other advice. This
evening, as time is
limited, will be to
discuss settling and
pointers to accelerate
your child's academic
progress. Thank you to**

**those of you who have
already booked places
online.**

**Nursery will be running
stay and play sessions
throughout the week for
parents and carers to see
your children at work
and play, and to talk with
staff.**
