Half Term Holiday

Holiday

As we end this half term I take the opportunity to wish you and all our children a lovely week off.

It feels a long time since we came back in September and it has certainly been a very busy 9 weeks. I have been delighted to see so many of you at our parental engagement events, including the new Honours Assemblies, Consultations, Year

group Meet the Teacher sessions and more. I am looking forwards to lots more opportunities for you to share in the life of the school next half term—the Christmas events calendar has already been sent out to give you time to make arrangements (it feels way too early to thank about!)

Swing Low Big Sing and Black History Month

We were privileged to take our choir to the Swing Low, Big Sing at St. George's Hall this week. This rounded off

some of the children's learning that has taken place all through October as part of our marking Black History month. As ever, your children sang beautifully and were fantastic ambassadors for the school.

Notices

Diwali

We hope all our families who celebrated Diwali this

week had a great time. We had our own special lunch at school, celebrating this festival of light.

The Food Bank were in at the start of the week collecting the donated items from

our Harvest Appeal and send you their thanks.
