# Wibsey Primary News

Issue 15

21st November 2025

## Snowy Days

How lovely to see the first of the snow as just a small flurry. We got the pretty views with none of the inconvenience.

We have a lovely picture of our Nursery children, all suited and booted and in their dry gear, outside making the most

of it in their garden.

It has served as a handy reminder that should we be hit by harsher conditions (hopefully nothing like last year)

then we will let you know via the App system of any changes. Please send your children in well wrapped up as they will be outside for most play and lunchtimes.

### Year 4

**Year 4 had a great time bringing History to life at Bradford's Industrial Museum. It is great to have this facility on our doorstep for our children to enjoy.**

A group of children from Y5 attended a workshop at Cartwright Hall this week looking at the finalists in the Turner Prize competition. They were commended for their excellent behaviour and engagement at this prestigious event by organisers and the public.

### TTRS

'Children across school have been competing in Times Tables Rockstars 'England Rocks!' competition this week, where they've answered as many multiplication and division questions correctly as they can, competing with other schools across the country. Of the 5000 schools participating,

Wibsey has found itself in the top 200 schools on the leader board, so a huge well done to all children that have played TTRS, both at home and in school, for their efforts! As always, children will be receiving their well deserved TTRS certificates in rewards assemblies next week.  
Mr Quinn

**The class with best attendance this week were classes 2:1., 4:1 & 6:3**  
**They will be claiming their trophies in Honours Assemblies. Well done.**

**The CIN collection total was £567.09.**
