Bradford to Botswana

It's been an exciting week this week linking with Delta Waters Academy in Botswana.

On Wednesday, Year 4 were involved in a live-link lesson learning their times tables and applying spelling rules. It was a huge success and everybody involved worked super hard to make it happen. For the first time in the history of Wibsey Primary School a lesson was taught to two different classes in two different countries!

Then on Thursday, 6 schools—

Crossing Patrol

On Monday we welcome David Grice as our new crossing patrol. Please give him a warm Wibsey welcome as he joins our school community. We also kindly ask parents and carers to park considerately around the school and to remain aware of all children at all times. Please do not park on school zig-zag lines or in resident permit areas. These measures help keep everyone safe—thank you for your continued cooperation.

spanning 5,600 miles with over 3,000 children—gathered for a joint assembly, where the children were entertained with African dancing, singing and presentations. The Wibsey children were amazing during both activities and were a real credit to the school. Mr Cooper expressed how proud he was of them when we were able to connect with him live from Botswana.

Thank you to all the staff and children for playing their part in making it happen and giving the children such a memorable experience.

Also this week, KS2 have been involved in a Young Voices 'Wicked' singing event live from the O2 arena in London. They were joined by one of the cast members who plays Elphaba in the West End show.

The children only had 2 weeks to learn a challenging medley of songs from the musical Wicked but they put on an outstanding and tear-jerking performance and did themselves proud. The quality of their singing, sense of energy and joy was inspiring.

Year 1 Art Day -

Year 1 have had their art day with Tony Bullock this week. They have been learning about toys past and present and have been creative in designing some beautiful artwork around the topic. Well done Year 1!
