Bradford to Botswana (2)

Thank you for the warm welcome back to Wibsey after my visit last week to Delta Waters School in Botswana.

The Headteachers from the five linking schools received the warmest of welcomes from the staff and children at Delta Waters, who were as excited as we were to begin our more formal programme of work.

I know that Mrs Matthews updated you on some of that work last week, including the live lesson that took place between Class 4:2 and a class in Standard 4 in Botswana.

It was very exciting to see our children from over 5000 miles away, and even more exciting to see many of our older children in the live assembly.

At the end of the week, in spite of torrential rains having closed roads into the Delta, I managed to take a helicopter over the game reserve, and see some wildlife. I will be sharing this with children next week.

The leadership and staff at Delta waters send the whole of the Wibsey Community greetings from them and they look forward to work our schools will undertake going forwards.

Year 3 Art Day
We are delighted to have welcomed Tony Bullock back into school again this week to work with Year 3.

The children have focussed on sketching, looking at portraits and had a very productive and creative day.
