

Dear Parents / Carers,

WELCOME BACK TO YEAR 5

We hope that everyone has a lovely holiday and returns ready to continue learning and working hard in Year 5.

Our curriculum over the next term will be based on the text 'Who let the Gods out' (Maz Evans). In English, we will be focusing a lot of our reading and writing around this story which links with our History topic about the Greeks. We will be writing a job advertisement, instructions and taking part in class debates. During our maths lessons, we will be learning about Geometry and Converting units of measurement. Our Prime Learning Challenge for this half term is 'How did the Ancient Greeks change our world?' As mentioned earlier, the theme is led by History where we will be finding out about the Ancient Greeks and its impact on Britain as well as the wider world today. In Science, we will be learning about Animals including Humans. In DT, the children will be looking at Cooking and Nutrition.

The children also have the Grinton Lodge Residential. There will be a RSE Parental Workshop and a BLP assembly. More information will be sent out closer to the time.

PE days

All Year 5 classes: Friday and allocated dates per class. This is on the school website.

Please ensure that your child comes to school in their PE kit. Children must wear a black jumper, a white T- shirt, black shorts and black trainers. Please refer to the letter from Mr Cooper stating that this needs to be logo free. If the weather is cold the children can wear dark, plain jogging bottoms (not leggings) as PE will most likely take place outside. Please note that earrings should not be worn for PE and should be removed for the day prior to leaving home or tape applied. Long hair should be tied back.

Reading and Spelling

Your child will be given a reading book and a reading journal to bring home and read (for at least 10 minutes every day). ***They will need to keep their reading journal and book in their book bags to bring to school every day.*** Spellings are sent home weekly for your child to practise and learn.

Water Bottles and Lunch Boxes

Children need to bring in a named water bottle into school every day. If they are not having a school lunch and are bringing their own in from home, we encourage this to be in a disposable bag or a small lunch box which can be wiped down easily. A polite reminder that water bottles should be filled with water and not juice.

Homework

Homework is an opportunity for you to share in your child's learning, by supporting and encouraging them as they complete their homework tasks. While it should be primarily their work, please feel free to help them with any parts they find more challenging. Homework will usually be set on a Friday and is due back by the following Wednesday.

Thank you for your continued support.

Mrs Patankar, Mrs Baldwin and Miss Holland
Year 5 staff
