

Dear Parents/Carers,

We have been given the opportunity to take our Year 4 children out of school to complete some fieldwork around the River Wharfe. We will be visiting either Linton Falls, Burnsall or Bolton Abbey to see and research the speed of the river and look at the environment around each site. This is a fantastic opportunity for our children as it will allow them to link their new knowledge of rivers learnt in school and allow them to complete their own fieldwork research on a river in our Yorkshire Dales. They will then work collaboratively together back in school as a year group team.

The dates for the visits are:

Monday 22nd June

Tuesday 23rd June

Friday 26th June

Monday 29th June

We will send individual messages closer to the time where we will let you know which date your child will be going on.

We will be leaving school at **8:50am** and will be returning before the end of the school day. **Please can you ensure that you bring your child to school by 8:30am so that they can be registered before we leave.** We will be travelling by the school minibus and there will be a cost of **£3** for this trip. This will cover the cost of parking charges at each venue. School is covering fuel, insurance and any other costs. This can be paid via ParentPay. Please can you have completed this form and paid by **Monday 5th June 2026.**

The children will need to come to school in tracksuit bottoms, tops and trainers. We are hoping for a pleasant day but please make sure you send your child to school with their school jumper or cardigan in case it is colder. Please make sure these are older clothing as they may be getting dirty in the activities.

Please tick the box below to give permission for your child to attend.

Kind regards,

Miss Ahmed

Mrs Bilevych

Mrs Brown

Geography Field Trip.

Child's name..... Class

I give consent for my child to attend the school visit.
