Year 5 Building Learning Power Assembly

Dear Year 5 Parents,

We are excited to invite you to our **BLP (Building Learning Power) Assembly on Thursday 21st May 2026, at 2.45PM.**

The assembly will provide a wonderful opportunity for you to see how our Year 5 students are developing their learning skills and building their resilience, independence, and creativity in their learning journey. During the assembly, your child and their peers will share some of the projects and activities they have been working on in class, showcasing how they apply the principles of BLP in their everyday learning. We would love to have you join us to celebrate the students' hard work and achievements.

Please arrive at least 5 minutes before the assembly begins to ensure we can start promptly. If you have any questions or require further information, feel free to speak to your child's class teacher. We can offer a maximum of 1 seat per child and entry will be via the Year 6 fire exit doors.

The doors open at 2.40pm with a prompt start at 2.45pm.

We look forward to seeing you!

Thank you,

Mrs Patankar, Mrs Baldwin and Miss Holland
