

Year 6 information meeting

Welcome!

Monday 14th September 2026

Wibsey
Primary School

If there is a fire alarm...

Who are the staff in year 6?

Mr Quinn- 6.1

Mr Spalton- 6.2

Mrs Scatchard- 6.3

Feel free to catch us at any point, before or after school or via the school APP. We will always try to get back to you the same day but as soon as possible if not.

Associate staff

Mrs Clark (based in 6.1)

Mrs Jackson (based in 6.2)

Mrs Dixon (based in 6.3)

Mrs Broughton (based in 6.3)

Attendance

Obviously we want your child to be in school everyday.

Please try to inform school, via the APP, if your school will be absent, giving the clear reason why.

Attendance is a he focus for school. Each week we are talking to the children about a different part of why attendance is important.

We celebrate 100% attendance and each week, the class with the highest attendance is rewarded.

Week 1: Start as we mean to go on.

Being on time, ready to learn, prepared and wide awake having had a good sleep the night before.

Week 2: Everyday builds on the previous one.

Being on time and attending every day as each day builds on the previous days learning

Example: Maths is always the first lesson of the day and starts with the key focus of Arithmetic so if your child is regularly late arriving, they miss this important work.

Before and after school

Children should arrive promptly for the start of the day and be lined up in the bottom playground MUGA for 8:45am.

Monday - honours assembly (9am in the bottom hall)

End of day - 3.30pm

Year 6 can walk home alone. Please give your permission if you haven't already. It is fine to collect your child if you prefer.

Mobile phones- children can bring a mobile phone but it is locked away safely for the entirety of the school day and given back to children at the end of the day.

School Uniform

The School uniform is both practical and attractive; children are encouraged to wear their uniform with pride as an outward sign of belonging to Wibsey Primary School.

Reading at home

Ideally, please try to listen to your child read 3 times a week and sign their reading journal.

If you can, please add a comment about what they have read.

Your child's reading journal will include all important log ins and information for the week in school including when PE kit is needed and what homework they have.

Children visit the library and have the opportunity to change their reading book each week.

Homework

Homework is given out weekly and year 6 have made a great start.

It is given out each Friday and details will be written in your child's reading journal.

Ideally it should be returned by the following Thursday to ensure it is marked and feedback can be given.

Each week:

- A set of spellings to learn based on work in Morphology Monday
- A spelling task to help learn the spellings (Spellings are tested each Friday)
- A short comprehension in the same style as we teach school (Quick Comp)
- A task to complete on MyMaths
- Ongoing - reading at home, time on TTRS

- All passwords etc are detailed in your child's reading journal.

Feel free to work with your child but resist the temptation to do it for them or tell them the answers

Ideally, provide a calm and quiet environment. Homework should be at the same standard as class work.

If your child needs any support with their homework, Mrs Scatchard and Mr Quinn run a homework club on Wednesday and Friday lunchtimes.

SATs

The 2027 Key Stage 2 SATs will take place in the week commencing 10th May 2027.

The tests will take place over four days- Monday to Thursday

Children nationally will take these tests in their primary school.

SATs will be taken in Maths, Reading and GPaS (Grammar, Punctuation and a separate Spelling paper) under formal conditions. Each SAT is timed.

Further details nearer the time. We do not really mention SATs and tests at this time of year to the children.

These papers will be marked externally whilst separate teacher assessments in Writing and Science will be submitted.
