News and Views

Year 4

Year 4 have had a really great workshop in school today using virtual reality headsets to look at life in Ancient Egypt. This immersive experience allows children to feel as if they're actually there, exploring.

Upcoming Diary Dates

We have our first parent/carer consultation evening coming up on the 14th October. The booking system is now live.

Mrs Bilevych (5:3) will have different arrangements due to her linking visit to Botswana, and Mrs Bishop (3:3) will conduct hers when she returns from medical leave. Information for booking appointments for these two teachers will come out separately.

Harvest

We will be celebrating Harvest in school on the 19th October. As has now become a Wibsey tradition, we will be

supporting the

Foodbank, as we know how essential it has been for some families in times of need or crisis.

As in previous years, I would ask that you donate what you feel able to. I will send a letter out with requested donation items nearer the time, and we will be holding the collection during the week commencing the 12th October, with a good opportunity to bring something along on consultation evening as well as drop offs at the school gates.

Wibsey Primary—The Village School

Early Help Drop-ins are taking place in school on Monday (5th October) from 9:00am until 11:00am. This is an opportunity to have an informal chat for friendly support and advice, and especially around behaviour and routines.

There will be a further Eating Well Workshop on Wednesday 7th October, supporting with encouraging children's healthy eating. We know as a school how hard it can be to get children trying new things. Top tips to be shared!

Attendance

The classes with best attendance this week are 1.2 with 99.%
